# Subscriber Services and Terms

Thank you for your patience as we process your order. This procedure is time consuming and is designed to honor those who have been generous and loyal patrons, and to be fair to everyone involved. Due to high demand, Philharmonic representatives will respond to thousands of seating requests, doing their best to make every patron comfortable in the venues.

Subscription seating is handled with the following priorities:

1. Renewals with no changes: subscribers requesting the same seats within the same subscription package.
2. Seating change requests from contributing subscribers (including recent contributions).
3. Seating change requests from non-contributing subscribers in the order of date received.
4. New subscribers who have made contributions (including recent contributions).
5. New subscribers who choose not to donate in the order of date received.

**Discounts** Subscription discounts are applied to all season tickets and are included in the prices listed.

**Deadline for renewal April 30, 2022** The guaranteed subscription renewal deadline is April 30, 2022. Orders received after the final renewal deadline cannot be guaranteed same seating or priority handling. The Philharmonic reserves the right to extend the deadline if necessary, to best accommodate patrons.

**Ticket delivery** All tickets will be delivered in early September to the subscriber's mailing address on file with the Philharmonic. Please contact the Philharmonic office with any change of mailing address or mark the change on the front of this form.

**Payments** Payment is required and will be processed at the time of order. Receipt of payment does not guarantee accommodation of specific seating requests. Price adjustments will be made when specific seating is confirmed.

**Ticket donations** Patrons unable to attend a concert may return concert tickets to the box office prior to the concert date as a tax-deductible donation. Value of the donation is equal to the paid value of each ticket returned.

**Ticket exchanges** The Colorado Springs Philharmonic exchange policy is designed to help subscribers avoid schedule conflicts and receive full value of series tickets. Subscribers may exchange their tickets for another 2022-23 Philharmonic season concert, subject to sufficient ticket availability. Some concerts may not be available for exchange. As a benefit to our subscribers, there is no fee charged for exchange. If you are exchanging lower priced tickets for more expensive tickets, the difference in ticket prices will be charged. The difference for exchange requests into a lower-priced performance or section will not be refunded but will be considered as a donation. All exchanges are subject to sufficient ticket availability, and seat locations cannot be guaranteed. Ent Center performances can be exchanged for Pikes Peak Center performances and vice-versa by calling (719) 575-9632. Tickets must be exchanged no later than 48 hours before each performance. Some concerts are not eligible for exchange.

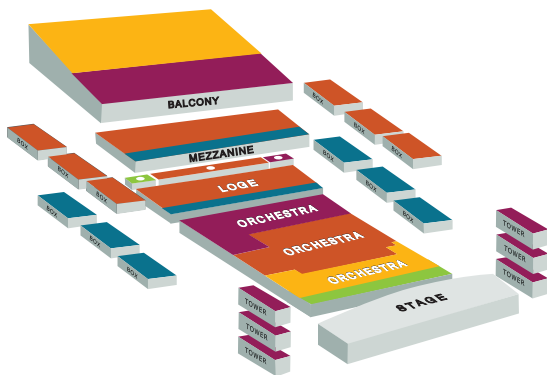

**No refunds** Tickets are subject to prior sale. All tickets sales are final. No refunds. Dates, programs, artists, and venues and venue conditions are subject to change.

**Fees** As a subscriber benefit, the Colorado Springs Philharmonic does not charge fees for season ticket sales. However, all listed ticket prices include processing/facility fees charged by the Pikes Peak Center or Ent Center box offices.

**ADA accessible seating** checking the box on the reverse, I acknowledge that I am purchasing wheelchair accessible seats, that accessible seats are for use by a person with a disability who requires accessible seating, and that the venues reserve the right to act against individuals who fraudulently obtain accessible seating. If you do not have a disability and require that your series seats be moved to another location, please contact the Philharmonic at (719) 575-9632.
